**PARENTAL SUPPORT – THANK YOU**

The first event was the Fairtrade Coffee afternoon organised by P7, and thanks to parents who offered their time to help serve teas & coffee to over 200 people who attended.

Thanks to those parents who gave ½ hour of their time to help at the book fayre held on the 1st & 2nd April. It was extremely busy, with around 100 books purchased over the two nights.

A special note of thanks to two parents, David Carey & David Hazel who gave of their time to repair "Picnic Paradise" for the pupils, as this facility had to be closed prior to Easter break due to being unsafe. It was greatly appreciated that this was fixed for the pupils returning.

We appreciate all the demands on the time of parents/guardians, but if any parent can offer to support by way of skill set, business experience, or offer their time to help us in any way possible we would greatly appreciate it. Please contact us on the above numbers

Several BPPC members are moving on from their role within the BPPC as their children are leaving the school and/or they have supported in current role for several years, and want to take a lesser role, to encourage new parents to get involved.

We need **parents/guardians/grandparents** to come forward to offer their assistance to the Parent council in a variety of ways – teas/coffees mornings, secretarial, managing rota of help, running stall etc.

Without people filling these roles we will be unable to continue with the parent council

Please – it's not a huge commitment of your time – just what you can manage. If you can help at even just one event throughout the year – we cannot expect the same people to help time & again.

Please contact Carolyn or Jackie on the above numbers or contact us via our website.
